The Tenant must not breach any of the Landlord's obligations (excluding payment of rents or other sums) relating to the Building in the Head Lease or any obligations relating to the Tenant's use and occupation of the Premises or the exercise of the rights granted by this Lease in any documents or matters specified or referred to in Schedule 5.

4.24 **Registration at the Land Registry**

4.24.1 If compulsorily registrable, the Tenant must:

(a) within six weeks of the date of this Lease, apply to register and then take reasonable steps to complete the registration of this Lease and the Tenant's rights at the Land Registry; and

(b) provide the Landlord with an official copy of the registered title promptly after receipt.

4.24.2 The Tenant must within four weeks after the End Date, apply to the Land Registry to close and then take reasonable steps to complete the closure of any registered title relating to this Lease and to remove from the Landlord's registered title(s) to the Building any reference to this Lease and the Tenant's rights.

5.6.2 If the Tenant's sign and fascia or display window is obstructed or interfered with by the scaffolding, the Landlord will permit the Tenant to display a sign (approved by the Landlord) on the exterior of the scaffolding in front of the Premises so that it is visible to the public.

5.7 **Turnover Information**

5.7.1 The Landlord will only use any information provided to the Landlord under clause **4.25** for management purposes in connection with the monitoring and assessment of sales at and the performance of the Building. 5.9.2 If the Landlord does not designate specific Common Parts for the Tenant's use, the Tenant will have the right to use all Common Parts required for the reasonable and

proper enjoyment of the Premises for their intended use but the Tenant will not have the right to use any Common Parts used solely by the Landlord for the provision of the Services.

5.9.3 Any Supply Runs allocated by the Landlord for the Tenant's use under paragraph **1.2 of Part 1 of Schedule 1** must take into account the location of the Premises and the requirements of the Tenant. The Landlord may vary the allocation of the Supply Runs taking into account its own requirements, the requirements of other tenants and occupiers of the Building for the use of the Supply Runs and the location of the tenants' facilities requiring use of the Supply Runs. **Clause 5.10** will apply if any relocation of External Works is required following a reallocation of the Supply Runs.

5.9.4 The Landlord may, by giving formal notice to the Tenant, vary the extent or location of the Plant Area taking into account its own requirements and the requirements of other tenants and occupiers of the Building. Where reasonably possible, areas will be separate for each tenant and the Landlord will take into account any riser allocation strategy and the location of the tenants' facilities requiring connection to the Plant Area. 5.10.3 If the Landlord requires temporary relocation of the External Works, the Landlord must keep the period of relocation as short as reasonably practicable in the circumstances.

5.10.4 The Tenant must comply with the Landlord's requirements to relocate the External Works.

6.2 **No acquisition of easements or rights**

6.2.1 Unless they are expressly included in **Part 1 of Schedule 1**, the grant of this Lease:

6.2.3 The flow of light to the Premises is and will be enjoyed with the Landlord's consent in accordance with section 3 of the Prescription Act 1832. The Tenant must not interfere with or object to the exercise of these reserved rights.

6.2.4 The Tenant must not do or omit to do anything that would or might result in the loss of any right enjoyed by the Premises or the Building.

7.1 The Guarantor, as primary obligor, guarantees to the Landlord that:

7.1.1 the Original Tenant will comply with all the Original Tenant's obligations in this Lease throughout the Term or, if earlier, until the Original Tenant is released from those obligations under the Landlord and Tenant (Covenants) Act 1995. If the Original Tenant defaults, the Guarantor will itself comply with those obligations and will indemnify the Landlord against all losses, costs, damages and expenses caused to the Landlord by that default;

7.1.2 if the Court orders the Original Tenant to pay them, the Original Tenant will pay the Landlord's costs incurred in relation to any legal proceedings in relation to this Lease in accordance with the terms of that Court order. 7.2 If the Landlord in its absolute discretion notifies the Guarantor within three months after the date of any disclaimer or forfeiture of this Lease or the Original Tenant being struck off the register of companies, the Guarantor must, within ten Business Days, at the Landlord's option either:

7.2.1 at the Guarantor's own cost (including payment of the Landlord's costs) accept the grant of a lease of the Premises:

(a) for a term starting and taking effect on the date of the disclaimer or forfeiture of this Lease or the Original Tenant being struck off the register of companies;

(b) ending on the date when this Lease would have ended if the disclaimer, forfeiture or striking-off had not happened;

(c) at the same rent and other sums payable;

(d) containing a rent review date on the term commencement date of the new lease if there is a rent review under this Lease that falls before that term commencement date that has not been concluded (but with the rent being reviewed as at the date of the unconcluded rent review);

(e) containing rent review dates on each Rent Review Date under this Lease that falls on or after the term commencement date of the new lease; and

(f) otherwise on the same terms and conditions as this Lease; or

of 6 months following the disclaimer, forfeiture or striking-off had there been no such event.

7.3 If clause **7.2.2** applies then, on receipt of the payment in full, the Landlord must release the Guarantor from its future obligations under this clause **7** (but that will not affect the Landlord's rights in relation to any prior breaches).

7.4 The Guarantor's liability will not be reduced or discharged by:

7.4.1 any failure for any reason to enforce in full, or any delay in enforcement of, any right against, or any concession allowed to the Original Tenant or any third party;

7.4.2 any variation of this Lease (except that a surrender of part will end the Guarantor's future liability in respect of the surrendered part);

7.4.3 any right to set-off or counterclaim that the Original Tenant or the Guarantor may have;

7.4.4 any death, incapacity, disability or change in the constitution or status of the Original Tenant, the Guarantor or of any other person who is liable, or of the Landlord;

7.4.5 any amalgamation or merger by any party with any other person, any restructuring or the acquisition of the whole or any part of the assets or undertaking of any party by any other person;

7.4.7 anything else other than a release by the Landlord by deed.

7.5 The Guarantor must not claim in competition with the Landlord in the insolvency of the Original Tenant and must not take any security, indemnity or guarantee from the Original Tenant in respect of the Original Tenant's obligations under this Lease.

7.6 Nothing in this clause 7 may impose any liability on the Guarantor that exceeds the liability that it would have had were it the tenant of this Lease.

8.1.2 on the Break Date the Premises are free of the Tenant's occupation and the occupation of any other lawful occupier and there are no continuing underleases. The reference to "the Tenant's occupation" means occupation by the Tenant's people and the reference to "the occupation of any other lawful occupier" means occupation by the other lawful occupier's people and, in each case, disregarding any other things left behind or removed.

8.1.3 the Tenant has, on or before the Break Date, paid to the Landlord an amount equal to insert figure/proportion of the Main Rent (plus any VAT payable on that amount).

8.2 The Landlord may waive any of the pre-conditions in clauses 8.1.1 to 8.1.3 at any time before the relevant Break Date by notifying the Tenant. A waiver by the Landlord of any of those pre-conditions will not affect the Tenant's liability under this Lease for the matters set out in those pre-conditions. If the Landlord waives the pre-condition in clause 8.1.3 and this Lease ends

on the relevant Break Date, the Tenant must pay to the Landlord immediately after the relevant Break Date the sum specified in that clause.

8.3 The break right in this clause 8 is personal to the Original Tenant and will end on the date of the first deed of assignment or transfer of the Lease or on the date when the Original Tenant ceases to exist.

8.4 If this Lease ends under this clause **8**, this will not affect the rights of any party for any prior breach of an obligation in this Lease.

8.5 Time is of the essence for the purposes of this clause 8.

9. **JURISDICTION**

9.1 This Lease and any non-contractual obligations arising out of or in connection with it will be governed by the law of England and Wales.

9.2 Subject to clause **9.3** and any provisions in this Lease requiring a dispute to be settled by an expert or by arbitration, the courts of England and Wales have exclusive jurisdiction to decide any dispute arising out of or in connection with this Lease, including in relation to any non-contractual obligations.

(ii) any non-payment of service charges by other tenants of Lettable Units; or

(iii) any Lettable Unit being unlet; or

(b) the Landlord decides to incur service charge expenditure in one Accounting Period and recover that expenditure over two or more Accounting Periods.

2.5 Service Costs incurred in one Accounting Period, if not included in the Service Charge Statement for that Accounting Period for any reason, may be included in the Service Charge Statement for a subsequent Accounting Period.

2.6 The Tenant may upon prior appointment inspect evidence of the Service Costs at the Landlord's head office or any other location the Landlord specifies. The Tenant must ask to inspect the evidence not later than four months after receipt of the Service Charge Statement.

3. **On-account payments of service charge**

3.1 Until the Service Charge for each Accounting Period has been calculated, the Tenant must pay, by equal monthly payments on the Rent Days, a provisional sum by way of Service Charge at the level that the Landlord requires.

3.2 The Tenant must also pay on demand any sum or sums that the Landlord requires where the Landlord will be obliged to incur any Service Costs and the sums held on account by the Landlord are insufficient to meet those costs.

3.3 Sums payable under this paragraph **3** must be taken into account when calculating the amounts payable by the Tenant to the Landlord or by the Landlord to the Tenant under paragraph **4**.

4. **Balancing payments of service charge**

4.1 When the Service Charge for each Accounting Period has been calculated:

4.1.1 the Tenant must pay any amount due from it on demand; and

4.1.2 the Landlord must credit any amount due to the Tenant against the next payment or payments to be made by the Tenant under paragraph **3**. Any amount owing at the End Date must be repaid to the Tenant within one month of its calculation.

4.2 The End Date will not affect the Tenant's obligation to pay or the Landlord's right to recover Service Charge after the End Date where this has not been calculated and demanded before the End Date.

5. **Service charge exclusions**

The Landlord must not include any of the costs set out in **Part 5** of this Schedule in the Service Costs.

6. **Service charge disputes**

6.1 If any dispute arises in connection with the Service Charge, the Landlord and the Tenant must attempt to resolve it by appropriate alternative means before resorting to court proceedings.

6.2 Except in relation to obvious errors, the Tenant must not raise any dispute in connection with the Service Charge Statement more than four months after the Service Charge Statement has been delivered to the Tenant.

7. **Variation in the proportion of the service charge payable**

7.1 In calculating the Service Charge for any of the Services, the Landlord's surveyor may make any adjustment that is fair and reasonable in all the circumstances, taking into consideration the relative degree of benefit obtained by the Tenant and other tenants at the Building from those Services, including by dividing the Services into separate categories and applying weighting to those categories to take into account differing uses or operating hours or other relevant factors.

7.2 If there is any change in the extent of the Building, the Landlord must, where it is appropriate to do so, vary the Service Charge as is reasonable to take account of that change but the Service Charge will not materially increase solely as a result of any change in the extent of the Building.

7.3 The Service Charge must not be increased by reason only that any Lettable Units:

7.3.1 are or have been unlet;

7.3.2 are let on terms that do not require the tenant or other occupier to pay a service charge; or

7.3.3 are let on terms that cap the liability of any tenant or other occupier for service charge.

2. **Tenant's insurance obligations**

2.1.2 the whole of the sums the Landlord pays to comply with paragraph **3.1.3**;

2.1.3 a sum equal to the amount that the insurers refuse to pay following damage or destruction by an Insured Risk to the Building because of the Tenant's wilful act or failure to act; and

2.1.4 any additional or increased premiums that the insurers may require as a result of the carrying out or retention of any Permitted Works or the Tenant's or any undertenant's or other lawful occupier's use of the Premises.

2.2 The Tenant must comply with the requirements of the insurers and must not do anything that may invalidate any insurance.

2.3 The Tenant must not use the Premises for any purpose or carry out or retain any Permitted Works that may make any additional premium payable for the insurance of the Premises or the Building, unless it has first agreed to pay the whole of that additional premium.

2.4 The Tenant must notify the Landlord as soon as practicable after it becomes aware of any damage to or destruction of the Premises by any of the Insured Risks or by an Uninsured Risk.

2.5 The Tenant must keep insured, in a sufficient sum and with a reputable insurer, public liability risks relating to the Premises.

3. **Landlord's insurance obligations**

3.1 The Landlord must insure (with a reputable insurer):

3.1.1 the Building against the Insured Risks in its full reinstatement cost (including all professional fees and incidental expenses, debris removal, site clearance and irrecoverable VAT);

3.1.2 against public liability relating to the Building; and

3.1.3 loss of the Main Rent and Service Charge for the Risk Period,

subject to all excesses, limitations and exclusions as the insurers may impose and otherwise on the insurer's usual terms.

3.2 In relation to the insurance, the Landlord must:

3.2.1 procure the Tenant's interest in the Premises is noted either specifically or generally on the policy;

3.2.2 take reasonable steps to procure that the insurers waive any rights of subrogation they might have against the Tenant (either specifically or generally);

3.2.4 provide the Tenant with a summary of its main terms upon the Tenant's written request.

3.3 The Landlord must take reasonable steps to obtain any consents necessary for the reinstatement of the Building following destruction or damage by an Insured Risk.

3.4 Where it is lawful to do so, the Landlord must reinstate the Building following destruction or damage by an Insured Risk as soon as reasonably practicable after the date of that damage or destruction. Reinstatement need not be identical if the replacement is similar in size, quality and layout.

3.5 Nothing in paragraph 3.4 will require the Landlord to reinstate any Lettable Units other than the Premises.

3.6 The Landlord's obligations under paragraphs **3.3 and 3.4** will not apply unless and until the Tenant has paid the amounts referred to in paragraph **2.1.1(e)** and, where applicable, paragraph **2.1.3**.

3.7 If there is destruction or damage to the Building by an Uninsured Risk that leaves the whole or substantially the whole of the Premises unfit for occupation and use or inaccessible and the Landlord notifies the Tenant within 12 months afterwards that the Landlord wishes to reinstate, paragraphs **3.3 and 3.4** will then apply as if the damage or destruction had been caused by an Insured Risk.

4. **Rent suspension**

4.1 **Paragraph 4.2 will apply if the Building is destroyed or damaged by any Insured Risk or Uninsured Risk so that the Premises are unfit for occupation or use or inaccessible. Paragraph 4.2 will not apply to the extent that the Landlord's insurance has been vitiated or payment of any policy moneys refused because of anything the Tenant does or fails to do and the Tenant has not complied with paragraph 2.1.3.**

4.2 Subject to paragraph **4.1**, the Main Rent and Service Charge or a fair proportion of them, will not be payable from and including the date of damage or destruction until the earliest of:

4.2.1 the date that the Premises are again fit for occupation and use, accessible and ready to receive tenant's fitting out works;

4.2.2 the end of the Risk Period; and

4.2.3 the End Date.

4.3 If paragraph **4.2** applies before the Rent Commencement Date, the number of days between the date of the damage or destruction and the Rent Commencement Date (or where only a proportion of the Main Rent is or would have been suspended, an equivalent proportion of those days) will be added to the date the rent suspension ends and the resulting date will become the Rent Commencement Date.

4.4 If paragraph **4.2** applies:

4.4.1 the Landlord must refund to the Tenant, as soon as reasonably practicable, a due proportion of any Main Rent and Service Charge paid in advance that relates to any period on or after the date of damage or destruction; and

4.4.2 the Tenant must pay to the Landlord on demand the Main Rent and Service Charge for the period starting on the date they again become payable to but excluding the next Rent Day.

4.5 Any dispute about the application of this paragraph **4** will be decided at the request of either the Landlord or the Tenant by a single arbitrator under the Arbitration Act 1996.

5. **Termination**

5.1 This paragraph 5 applies if there is destruction or damage to the Building by an Insured Risk or an Uninsured Risk that leaves the whole or substantially the whole of the Premises unfit for occupation and use or inaccessible.

5.2 If the damage or destruction is caused by an Uninsured Risk and:

5.2.1 the Landlord does not give the Tenant formal notice within 12 months after the damage or destruction that the Landlord wishes to reinstate, this Lease will end on the last day of that 12 month period; or

5.2.2 the Landlord gives the Tenant formal notice that the Landlord does not wish to reinstate, this Lease will end on the date of that notification by the Landlord.

5.3 If, when the Risk Period ends, the Building has not been reinstated sufficiently so that the Premises are again fit for occupation and use and accessible and ready to receive tenant's fitting out works, either the Landlord or the Tenant may end this Lease immediately by giving formal notice to the other at any time after the end of the Risk Period but before such reinstatement has been completed. The exercise of this right by the Tenant is subject to the Tenant complying with paragraph **2.1.1(e)** and, where applicable, paragraph **2.1.3**.

5.4 For the purposes of paragraphs 4.2.2 and 5.3, if the damage or destruction is caused by an Uninsured Risk, the Risk Period will be treated as beginning on the date the Landlord notifies the Tenant of its wish to reinstate under paragraph 3.7.

5.5 If this Lease ends under this paragraph **5**:

5.5.1 that will not affect the rights of any party for any prior breaches;

5.5.2 the Tenant must give vacant possession of the Premises to the Landlord; and

5.5.3 the Landlord may retain all insurance moneys.

SCHEDULE 7

Sustainability

1. **Co-operation to improve Environmental Performance**

1.1 The Landlord and the Tenant confirm that:

1.1.1 wherever reasonably practicable, they intend to promote and Improve the Environmental Performance of the Premises and the Building; and

1.1.2 they propose to cooperate with each other to identify appropriate strategies to Improve the Environmental Performance of the Premises and the Building.

2. **Environmental forum**

2.1 The Landlord may establish a forum for all parties with an interest in or involvement with the Building (the **"Forum"**) that, if established, must meet on a regular basis to:

2.1.1 consider the adequacy and improvement of data sharing on the Environmental Performance of the Lettable Units including the Premises and the Building;

2.1.2 review and agree targets and strategies to Improve the Environmental Performance of the Lettable Units (including the Premises) and the Building; and

2.1.3 agree targets and strategies for a travel plan for travelling to and from the Building.

2.2 If the Landlord establishes a Forum:

2.2.1 it may take any form that affords an appropriate means of communication and exchange of views, whether by meeting in person or otherwise;

2.2.2 the Landlord and the Tenant must each nominate a suitable person to participate on its behalf in the Forum. They must take reasonable steps to ensure that their nominee attends and participates in any Forum meetings or discussions of which appropriate advance notice has been given;

2.2.3 the Landlord and the Tenant may agree to allow third parties to participate in the Forum for a specified period or for a specified purpose;

2.2.4 the Landlord must take reasonable steps to ensure that a representative of any managing agents appointed by the Landlord attends and participates in any Forum meetings or discussions of which appropriate advance notice has been given;

2.2.5 where any of the issues considered, reviewed or agreed in the Forum relate exclusively to the Premises, either the Landlord or the Tenant may request that these are discussed between them and their authorised agents only (and not with any other permitted participants in the Forum); and

2.2.6 the Landlord may elect to disband the Forum.

2.3 If no Forum is established, the Landlord and the Tenant must promote equivalent mechanisms that provide an appropriate means of dialogue and exchange of views on the Environmental Performance of the Premises and the Building, whether by meeting in person or not, to which all parties with an interest in or involvement with the Building can be invited.

3. **Data sharing**

3.1 The Landlord and the Tenant must share with the other the energy, water and Waste data they hold relating to the Premises and the Building including (in the case of the Landlord) the Common Parts and such other Environmental Performance data as may be agreed from time

to time by the parties. The energy, water and Waste data and any other data the parties agree to share must be shared on a regular basis, but not more frequently than annually unless lawfully required, with each other, any managing agents appointed by the Landlord and with any third party who the Landlord or the Tenant (or both of them) (acting reasonably) believes needs to receive that data including for the purpose of any reporting or advice subject to the provisions of paragraph 3.2.

3.2 The Landlord and the Tenant must keep and must ensure their agents or advisers keep that data confidential except that they have the right to use that data for any of the following:

3.2.1 monitoring and Improving the Environmental Performance of the Premises and the Building;

3.2.2 measuring the Environmental Performance of the Premises and the Building against any agreed or other targets; and

3.2.3 any reporting required by any Act or regulation or any voluntary certification or rating scheme affecting the Premises and the Building or the Landlord or the Tenant or required by any finance arrangements of either the Landlord or the Tenant.

3.3 Where the Landlord, the Tenant or their agents or advisers use the Environmental Performance data for any reporting, that party must ensure that they and their agents or advisers ensure that all data is anonymised.

3.4 The Landlord and the Tenant must each nominate a point of contact responsible for data sharing and must promptly notify the other where this point of contact changes.

3.5 The Tenant authorises the Landlord to contact directly any third party that provides Supplies in respect of the Premises or who collects data in respect of those Supplies to obtain consumption data in relation to the Premises. The Tenant must at the request of the Landlord provide any letter of authority that the third party requires to provide that data.

3.6 Nothing in this paragraph **3** obliges the Landlord to disclose to the Tenant Environmental Performance data received from any other tenant or occupier of the Building.

3.7 The Landlord must not disclose the Environmental Performance data provided by the Tenant to any other tenant or occupier of the Building.

4. **Alterations**

4.1 Both the Landlord and the Tenant must take into consideration any impact on the Environmental Performance of the Premises and the Building from any proposed works to or at the Premises or the Building.

5. **Metering**

5.1 The Landlord may at its own cost install equipment (whether fiscal meters, sub-meters, check meters, automatic meter reading devices or other equipment) to measure the energy and water consumed at the Premises and the Landlord or its agents (or both of them) have the right to enter and remain on the Premises (with workmen, contractors, and necessary equipment) at reasonable times in order to carry out such installation works. The installation of the equipment must not adversely affect the Tenant's beneficial use and occupation of the Premises.

5.2 Where the Landlord installs meters relating to the Premises within the Common Parts, the Tenant has a right to enter onto the parts of the Common Parts where the meters are installed at reasonable times to read the meters.

5.3 Where reasonably practicable the Landlord must ensure that all metering installed by the Landlord to measure the energy and water consumed at the Premises uses smart meter technology that provides half hourly automated meter readings and facilitates communication to third party platforms and must take reasonable steps to ensure the Tenant has direct access to the data generated by the smart meter technology.
